Our foyer has original mahogany flooring, stone columns and an oversized round antique carved wood table that welcomes you into the space. Decorated with a grandfather clock and a baby grand piano the foyer is a great space for pictures for you and your guests. Comfortable leather and fabric seating are available in the foyer for guests. This makes the perfect space for a photo booth, check in area or bar location for your special event. ☺

## *The Sapphire Room*

Located on The Hamilton Manor's lower level adjacent to the lounge is the Sapphire Room. The Sapphire Room is the perfect space for a retirement party, sweet sixteen, cocktail party or corporate event. The entire lower level of The Hamilton Manor offers a trendy New York style setting with exposed ceilings, custom molding and modern accents. The Sapphire Room has round picture windows and couches with up lighting to create the perfect environment for your guests. Easily seating a dinner up to 140 guests this space has tremendous versatility. A lower level has a private entrance for your guests with a long wide hallway, beautiful venue artwork and stained concrete floors. ☺

## *The Lounge*

The Hamilton Manor's best kept secret is located on the lower level. The Lounge is by far the most desirable space at The Hamilton Manor offering a look and feel that most other venues can not replicate. This state of the art room is a New York style lounge mixed with stone accent walls, rounded picture windows and an 80 foot stone bar with granite tops. Four flat screen televisions for a slideshow or corporate logo adds just the right feel to any event. A beautiful stainless steel draft system with 15 lines and an all wood back bar with color up lighting is the main focal point of this elegant trendy space. Whether it's your cocktail space, event space or after party, the lounge will have all your guests talking about your event at The Hamilton Manor. ☺

*Come see it for yourself and experience what all our guests are talking about!*

## *The Grand Ballroom*

Over the last few years we have hosted hundreds of memorable wedding receptions, countless proms, corporate events and galas with capability for up to 500 guests in our grand ballroom. We have been graced by the likes of Martha Stewart, Caroline Kennedy, iron chef Cat Cora, Brigadier Generals, many past and present governors and others. Our high standard of service and attention to detail makes The Hamilton Manor an easy choice for special events.

The Grand Ballroom boasts 20 foot high ceilings with crown moldings and beautifully restored original mahogany hardwood flooring throughout the space. Our grand chandelier located in the center of our ballroom as it hangs nine feet by seven feet wide. State of the art audio visual, lighting and drapery with a theater sized stage makes The Grand Ballroom at The Hamilton Manor an easy choice for the most memorable wedding day or special event! ☺

## *The Gallery*

Overlooking and high above our Grand Ballroom behind french doors with large crystal chandeliers is the elegant Gallery at The Hamilton Manor. The Gallery compliments our Grand Ballroom with a magnificent staircase for making the grandest entrance on your special day. The Gallery has large windows for natural light, crystal chandeliers and sconces to make any event the most memorable. You may hold a bridal shower, rehearsal dinner or indoor wedding ceremony in this special space at The Hamilton Manor. ☺

## *The Oak Room*

The Oak Room is a vintage room located inside The Hamilton Manor. The Oak Room has solid oak stained wood floors. The ceiling is adorned with authentic gold tin throughout and accented by a beautiful built in bar. A stone wall and oversized carved wood mirror decorate the room as well as built in wine storage lockers and bookshelves. A large private outside lit patio is a perfect addition for your social event. A large flat screen television is in the room for a special slideshow for a guest of honor. If you are planning a social event and want an elegant and rich feel to your party The Oak Room is the perfect setting. ☺

*Intimate Spaces...*

## *Bridal Suite*

Located adjacent to The Grand Ballroom is the Bridal Suite. This elegantly appointed room is the perfect setting for day of pictures with a trifold mirror and an antique dresser with beautiful crown molding. This is a perfect area for you and your bridal party to freshen up prior to and during your reception. A comfortable chaise and settee for you and your bridal party are nestled in the bridal suite, along with a full length mirror and private oversized ladies room and vanity. ☺

This setting is perfect for a private intimate dinner reception or corporate meeting. A stained wood built in fireplace and bookshelf with a flat screen television complete the front wall of this room. The back wall is adorned with floor to ceiling Historic Bucks county field and ledge stone with oval windows for natural light and is perfect for wedding party photos and as a backdrop to your intimate affair. ☺

## *The Trellis*

Our newly renovated Trellis area is the ideal location for a covered outdoor ceremony or cocktail hour as well as any social event. The Trellis is a beautiful area covered with high vaulted cathedral ceilings, rustic barn doors and a stone patio paver floor. A fifty foot long stone bar with white architectural wall and window boxes is the perfect backdrop for early guest arrivals to enjoy a cocktail prior to your wedding reception or social event. Early evening events have the opportunity to enjoy state of the art up lighting to transform the space to the color of your choice. ☺

## *Outdoor Gazebo*

Just beyond our Trellis nestled with a wooded backdrop is our outdoor wedding gazebo. The Gazebo area is decorated with white chairs on either side of the long paver walkway for up to 250 guests if needed. Perfect for any religious ceremony, the Gazebo is made of large stone columns and an ornate metal top with an open view of the sky above. This is an ideal photo backdrop for any occasion with 25 wooded acres behind the gazebo and is landscaped with seasonal landscape. ☺

*“The Manor was an outstanding host for my daughters wedding. The food, staff, decor etc. was first class all the way.”*

*“One of the things I liked was the fact that each room had a different feel.  
If you are having a big wedding or a small intimate occasion this is the venue to choose.”*

## *Beautiful Grounds...*

*"We had our ceremony outside at the gazebo and it was amazing."*

*"The ceremony at the gazebo was so intimate and special. The grounds are beautiful and the service was amazing. We had our cocktail outside as well under the new covered patio. The guests were raving about how nice it was."*

*"We had our ceremony outside by the gazebo, the cocktail hour downstairs in the Cellar, and our reception in the grand ballroom. The outdoor space was so nice. We had an after party at the "Trellis" (the outside bar). We would recommend it to anyone looking for a beautiful place to get married."*
